MASERATI MC20

Dubbed the 'Italian Super Sports Car', the MC20 is built for the track and open road. This mid-engined sports car is the first Maserati with a carbon fiber monocoque, ensuring an incredible power-to-weight ratio. Designed and made 100% in Modena, this is the Maserati[®] of a new era.

Surnommée la « Supercar italienne », la MC20 s'adapte autant à la conduite sur circuit que sur route. Cette voiture de sport à moteur central est la première monocoque Maserati réalisée en fibre de carbone, ce qui lui confère un rapport poids/puissance optimal. Entièrement conçue et fabriquée à Modène, cette Maserati[®] inaugure une nouvelle ère.

GUILLAUME BLANCHET

From a design perspective, Hot Wheels never holds back and never slows down. We worked hard to capture this energy in the buildable MC20. Scaling down its precise, sleek form was a challenge we met head-on. That meant designing each iconic piece, such as the butterfly doors, specifically for this build!

En matière de design, Hot Wheels va toujours de l'avant à fière allure. Nous avons travaillé sans relâche afin de reproduire le dynamisme de la MC20 dans cette version à construire. Nous avons relevé

le défi de reproduire sa silhouette racée de façon précise à l'échelle souhaitée. Pour ce faire, nous avons conçu chaque pièce emblématique, telle que les portières papillon, spécialement pour ce modèle !

Desde una perspectiva de diseño, Hot Wheels nunca se detiene y nunca se ralentiza. Trabajamos duro para capturar esta energía en el MC20 construible. Reproducir su elegante forma de gran precisión a pequeña escala fue un desafío al que tuvimos que enfrentarnos. Significó diseñar cada pieza icónica, como las puertas de ala de mariposa, específicamente para este modelo.

Aus Designerperspektive gibt Hot Wheels immer Vollgas und bremst nie ab. Wir haben hart daran gearbeitet, diese Dynamik im MC20-Bausatz zu repräsentieren. Es war nicht leicht, diese präzise, elegante Form in einem Miniaturmodell widerzuspiegeln. Das heißt, dass jedes ikonische Bauteil, wie die Flügeltüren, extra entwickelt wurde!

CRAIG CALLUM

The MC20 is the spiritual successor to the legendary 2005 Maserati MC12... so it's been a while since Maserati has made a mid-engine sports car! We designed this particular die-cast car to sit slightly lower than the original, to give it an even sportier feel.

La MC20 est l'héritière spirituelle de la légendaire Maserati MC12 de 2005... cela faisait donc un certain temps que

Maserati n'avait pas produit de voiture de sport à moteur central ! Nous avons conçu ce modèle de manière à ce qu'il soit légèrement plus bas que la voiture d'origine, pour une allure encore plus sportive.

El MC20 es el sucesor espiritual del legendario Maserati MC12 de 2005... ¡Así que hace ya tiempo desde que Maserati diseñó un coche deportivo con motor central! Hemos diseñado este particular coche metálico con una altura ligeramente inferior a la original, para darle un toque aún más deportivo.

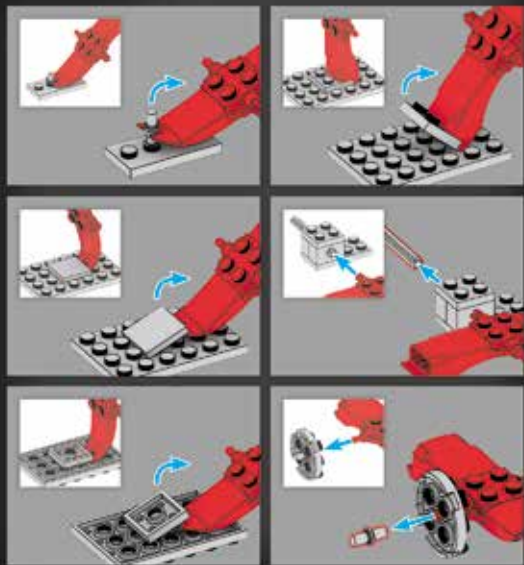

Der MC20 ist der Nachfolger des legendären 2005 Maserati MC12 ... es ist also eine Weile her, dass Maserati einen Sportwagen mit Mittelmotor hergestellt hat! In diesem speziellen Die-Cast-Auto sitzt man deutlich niedriger als im Original – für ein noch dynamischeres Gefühl.
