

HOT WHEELS

JKG42 - '83 CHEVY SILVERADO

'83 CHEVY SILVERADO

First released in 1973, the legendary third-generation Chevrolet C/K pickup is one of General Motors' best-selling trucks. Dubbed the 'square body' by enthusiasts, this Silverado model in fact has a subtly rounded shape. It features an inline six-cylinder engine with 230hp – a truck with power and presence.

Le légendaire pickup Chevrolet C/K de troisième génération, lancé en 1973, est l'une des camionnettes les plus vendues de General Motors. Surnommé le « square body » par les passionnés, ce modèle du Silverado présente une silhouette subtilement arrondie. Il est équipé d'un moteur six cylindres en ligne développant 230 chevaux : un modèle à la fois puissant et imposant.

1981

The 3rd-generation Chevrolet Silverado receives a major facelift, including a reshaped body and redesigned front bumpers. The front grille was revised in 1983, resulting in this iconic model.

La Chevrolet Silverado de 3^{ème} génération était le fruit d'une refonte majeure, notamment avec une carrosserie repensée et des pare-chocs avant redessinés. La calandre a été modifiée en 1983, donnant naissance à ce modèle emblématique.

La Chevrolet Silverado de 3.^a generación es una versión muy mejorada gracias, por ejemplo, al cuerpo reformado y el nuevo diseño de los parachoques delanteros. La rejilla delantera se revisó en 1983, dando como resultado este modelo icónico.

Die dritte Generation des Chevrolet Silverado erstrahlt in neuem Glanz, darunter eine neu geformte Karosserie und neu gestalteter vorderer Stoßstange. Der Kühlergrill wurde 1983 überarbeitet, was zu diesem Kultmodell führte.

2008

Hot Wheels® releases the 1:64 scale '83 Chevrolet Silverado as part of their Modern Classics series.

Dans le cadre de sa série Modern Classics, Hot Wheels® lance une reproduction à l'échelle 1:64 de la Chevrolet Silverado de 1983.

Hot Wheels® lanza la Chevrolet Silverado de 1983 a escala 1:64 como parte de la colección Modern Classics.

Hot Wheels® bringt den '83 Chevrolet Silverado im Maßstab 1:64 als Teil seiner Modern Classics Serie auf den Markt.

La legendaria camioneta Chevrolet C/K de tercera generación, lanzada por primera vez en 1973, es uno de los vehículos más vendidos de General Motors. A pesar de que sus fans la han apodado “cuerpo cuadrado”, este Silverado tiene una forma ligeramente redondeada. Cuenta con un motor de seis cilindros en línea de 230 HP que le otorga potencia y carácter.

Der legendäre Chevrolet C/K Pickup der dritten Generation kam erstmals 1973 auf den Markt und ist einer der meistverkauften Lkw von General Motors. Dieses Silverado-Modell, das von Enthusiasten „Square Body“ genannt wird, hat tatsächlich eine dezent abgerundete Form. Er verfügt über einen Sechszylinder-Reihenmotor mit 230 PS – ein Lkw mit Kraft und Präsenz.

2026

The buildable Silverado is here in an exclusive black livery, featuring an authentic front grille and hood.

La Silverado en briques est ici présentée sous la forme d'un modèle noir exclusif, avec une calandre et un capot authentiques.

Esta Silverado construible llega en un modelo negro exclusivo, que incluye una rejilla delantera y un capó auténticos.

Der Silverado kann jetzt nachgebaut werden. Er ist in einem exklusiven schwarzen Modell erhältlich mit authentischem Kühlergrill und authentischer Motorhaube.

Get ready to race with the Hot Wheels Speed Series®. Each car in this series is built to tear up the racetrack and bolt to the finish line. The Hot Wheels Speed Series® cars all include eye-catching decals and swappable wheel covers, so you can customize your ride just the way you want.

ON YOUR MARKS, GET SET, BUILD!

Préparez-vous à la course avec les Hot Wheels Speed Series®. Chaque voiture de cette série est conçue pour dominer la piste et foncer jusqu'à la ligne d'arrivée. Toutes les voitures Hot Wheels Speed Series® ont des autocollants accrocheurs et des enjoliveurs interchangeables, ce qui vous permet de personnaliser votre véhicule à votre guise.

À VOS MARQUES, PRÊTS, CONSTRUISEZ!

Prepárate para la competencia con Hot Wheels Speed Series®. Cada coche de esta serie está diseñado para dominar la pista y alcanzar la meta a toda velocidad. Todos los coches de Hot Wheels incluyen pegatinas llamativas y tapacubos intercambiables, para que puedas personalizar tu vehículo a tu gusto.

¡PREPARADOS, LISTOS, A CONSTRUIR!

Entdecke die Welt der Hot Wheels Speed Series®. Jedes Auto in dieser Serie wurde dafür gebaut, die Rennstrecke zu erobern und mit voller Geschwindigkeit die Ziellinie zu überqueren. Im Lieferumfang der Speed Serie sind Sponsoren Aufkleber und austauschbare Radkappen enthalten, mit denen das Auto ganz nach eigenen Vorstellungen gestaltet werden kann.

AUF DIE PLÄTZE, FERTIG, BAUEN!

LAS MENTES DETRÁS DEL VOLANTE / DIE KREATIVEN KÖPFE HINTER DEM KONZEPT

BEN MONTEROSSO

The '83 Chevrolet Silverado is the first car we've released with fenders that go over the tires. This was a technical challenge for a building set and I ended up making 6 prototypes before the final product. On top of the structural challenge, we needed to ensure this all-black set had enough visual depth. The red seats and matte finish really tie it all together!

La Chevrolet Silverado 1983 est la première voiture de notre gamme dotée d'ailes qui recouvrent les pneus. S'agissant d'un coffret de construction, cela constituait un véritable défi technique, et j'ai dû fabriquer pas moins de 6 prototypes avant d'aboutir au produit final. En plus du défi structurel, nous devions nous assurer que ce modèle entièrement noir avait une profondeur visuelle suffisante. De ce point de vue, les sièges rouges et la finition mate s'associent parfaitement !

La Chevrolet Silverado de 1983 es el primer coche que lanzamos con guardabarros sobre los neumáticos. Esto suponía un desafío técnico para un conjunto de construcción. De hecho, tuvimos que crear seis prototipos antes de lanzar el producto final. Además del reto estructural, necesitábamos asegurarnos de que este conjunto completamente negro tenía suficiente profundidad visual. Los asientos rojos y el acabado mate son el broche final.

Der '83 Chevrolet Silverado ist das erste Auto, das wir mit Kotflügeln herausgebracht haben, die über die Reifen hinausragen. Das war eine technische Herausforderung für ein Bauset – tatsächlich habe ich letztendlich sechs Prototypen gebaut, bevor das Endprodukt fertig war. Zusätzlich zu der strukturellen Herausforderung mussten wir sicherstellen, dass dieses komplett schwarze Set über ausreichend visuelle Tiefe verfügt. Die roten Sitze und die matte Oberfläche runden das Gesamtbild perfekt ab!

BRENDON VETUSKEY

The square body pickups, as the 1973-88 Chevrolet / GMC trucks are affectionately called, are wildly popular in the automotive truck scene. The 1983 Chevy Silverado from Hot Wheels® has a slammed stance, short bed with raised floor, custom grille, and room for large wheels. It's been a hit since the day it was released! I loved recreating this casting so it could be enjoyed by monster truck collectors and introduced to a new generation of Hot Wheels® fans.

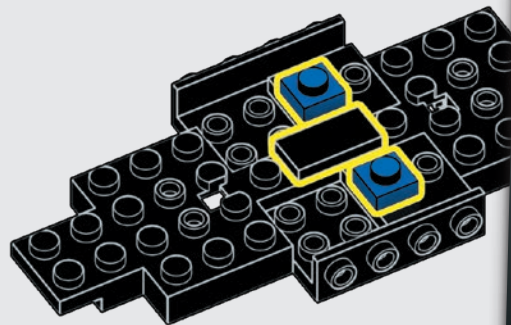

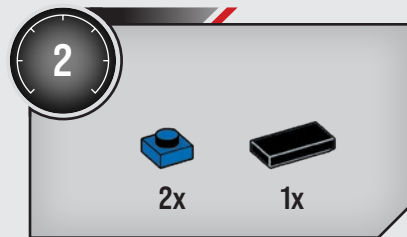

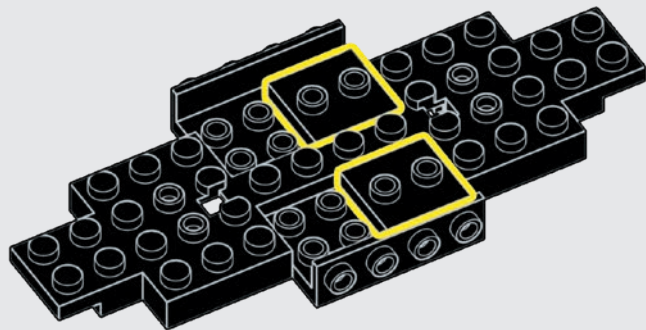

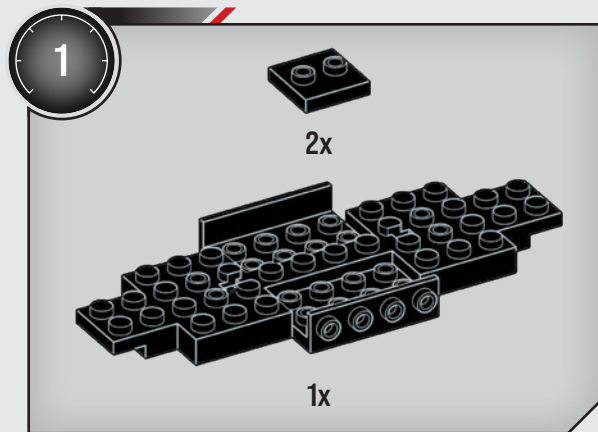

Les pickups Chevrolet/GMC 1973-88, que les passionnées surnomment affectueusement « square body » sont très populaires sur le marché des camionnettes. La Chevrolet Silverado 1983 version Hot Wheels® arbore une posture abaissée, une benne courte avec plancher surélevé, une calandre personnalisée et un espace prévu pour accueillir de grandes roues. C'est un succès depuis sa sortie ! J'ai adoré travailler sur ce modèle qui devrait ravir les collectionneurs de Monster Trucks et inspirer une nouvelle génération de fans Hot Wheels®.

Las camionetas de cuerpo cuadrado, que es el apodo cariñoso de las Chevrolet/GMC de los años 1973 a 1988, gozan de una inmensa popularidad entre los fans de este tipo de vehículos. La Chevy Silverado de 1983 de Hot Wheels® casi va a ras de suelo y, además, cuenta con una caja corta con la base elevada, una rejilla personalizada y espacio para ruedas grandes. Desde el día de su lanzamiento, ha sido todo un éxito. Me encantó recrear este modelo para que puedan disfrutar de él los coleccionistas de Monster Trucks y para presentárselo a una nueva generación de fans de Hot Wheels®.

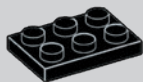

Die Squarebody-Pickups, wie die 1973-88 Chevrolet / GMC Lkws liebevoll genannt werden, sind in der Lkw-Szene äußerst beliebt. Der 1983 Chevy Silverado von Hot Wheels® ist tieflegend, hat eine kurze Ladefläche mit erhöhtem Boden, einen individuell gefertigten Kühlergrill und Platz für große Räder. Seit der Veröffentlichung ist dieses Fahrzeug ein Hit! Ich habe es geliebt, dieses Gussmodell neu zu gestalten, damit sich Monster-Truck-Sammler daran freuen können und es einer neuen Generation an Hot Wheels® Fans vorgestellt werden kann.
